Department of Mathematics at JSSATE Noida was established in the year 1998. At present, there are 6 faculty members (including ad-hoc) in the department and 5 of them are Ph.Ds and 1 is GATE qualified and pursuing Ph.D. Faculty members having research expertise in different areas of mathematics such as Reliability Modelling and Analysis, Fluid Mechanics, Differential Geometry and Fuzzy Set Theory are available for research scholars to carry out research in their respective area. So far, two research scholars have been awarded their Ph.D. degree under Dr. Bhupender Parashar registered in different universities of U.P. and Rajasthan.

Ph.D. was awarded to the following Research Scholars of Mathematics department.
