

# **JSS ACADEMY OF TECHNICAL EDUCATION, NOIDA**

**c-20/1 Sector-62 Noida**

JSS ACADEMY OF TECHNICAL EDUCATION is located in Sector – 62, Noida. The Academy was dedicated to the Nation in 2003 by the then President of India, Hon’ble Dr. APJ Abdul Kalam. JSS Academy of Technical Education (JSSATE) Noida was established in September 1998 to meet the ever growing demand for trained professional manpower for Industries and to serve as the training ground for students of this region for the engineering profession. The Academy is situated on a sprawling campus of 28 acres in the institutional area of Noida and aims to be a value-based Center of Excellence in Technical Education. Backed by the rich experience of JSS Mahavidyapeetha in managing engineering education, JSSATE, Noida is ranked as one of the best Technical Institutes in the state of Uttar Pradesh. The Academy is approved by All India Council of Technical Education. It is affiliated to the Uttar Pradesh Technical University.

Ministry of Human Resource Development, Department of Higher Education currently caters to over 3 Crore students, which comes to a Gross Enrolment Ratio of 21.1% and the dropout rate at each level is in higher side. There is a large requirement of skilled persons in the core engineering; and it is possible to train the dropouts from the higher education system in these skills. However, the traditional higher education system in the country is rigid in terms of duration.

Keeping in view these National Programmes, Ministry of Human Resource Development directed All India Council for Technical Education, New Delhi to run the Pradhan Mantri Kaushal Vikas Yojana for Technical Institutions (PMKVY-TI).

National Skill Development Corporation (NSDC) will be the Strategic Partner in implementing PMKVY – TI project with AICTE. The main objective of this project is to provide skill based training to the school and college drop outs who to pursue/attain higher order skills and living in the vicinity of College.

## **OBJECTIVE OF THE SCHEME**

The main objective of the Scheme is to impart Engineering Skills for 10 Lakh youth in the next three years. It is aimed to:

- Encourage the institutions for making the best use of available infrastructure of higher education system during off hours for skill training.
- Provide employable and certifiable skills based on National Occupational Standards (NOS) with necessary soft skills to the school dropouts who want to pursue/attain higher order skills and living in the vicinity of College.
- Provide for up-gradation and certification of traditional/acquired skills of the learners irrespective of their age
- Provide opportunities for community-based life-long learning by offering courses of general interest to the community for personal development and interest
- Offer bridge courses to certificate holder of general/ vocational education, so as to bring them at par with appropriate NSQF level.
- Provide entrepreneurial orientation along with required skills, trained for self-employment and entrepreneurship development.
- Provide Post Placement support, Tracking and Monitoring.

There is NO Course fees (FREE) for the program and the entire expenses shall be borne by the **Govt. Of India** under Ministry of **Human Resource Development**, Department of Higher Education.

The eligible students who want to enhance their skills and employability may feel free to contact Ms. Veena Srivastava (8750693959), Email-pmkvy@jssaten.ac.in or may visit
